

Maximus has expanded its ERP division with the addition of Amin Bedra to develop its SAP operations in Europe, focusing on markets such as Sweden, Norway and Finland. Amin's IT and Sales background will prove essential in helping to grow the European reach of the business.

The company's fittings and interiors operation is also expanding with the appointment of Perry Agass and Gary-Lee Hoebeeck. Perry, who has a background in sales, recruitment and project management, becomes Account Manager for the north of England, while Gary will take responsibility for operations in the Midlands.
